

## **All about RILEM, presentation of the International Association for Materials and Structures**

***Dipartimento di Ingegneria dell'Ambiente, del Territorio e delle Infrastrutture (DIATI)***

***20 Ottobre 2025, 10:00 AM***

Dear student/colleague,

I would like to invite you to attend a presentation about RILEM that will take place on 20 October 2025 at 10:00 AM at the Dipartimento di Ingegneria dell'Ambiente, del Territorio e delle Infrastrutture (DIATI), of the Politecnico di Torino, 1<sup>st</sup> floor, door 3.

[RILEM](#) is a non-profit association with the mission of advancing scientific knowledge related to construction materials, systems and structures, and encouraging transfer and application of this knowledge world-wide.

This mission is achieved through collaboration of leading experts in construction practice and science including academics, researchers, testing laboratories and authorities.

**RILEM very much welcomes PhD students, post-docs and young professionals** to join the association!

If your **expertise is related to any of the RILEM research themes** (concrete and cementitious materials, masonry, timber, cultural heritage, bituminous materials and polymers, earth- and bio-based materials, innovative low-carbon materials, composites and systems) and you look forward to working with world-leading experts and strengthening your research/professional network, please consider [to join RILEM](#)!

**During the presentation, a light refreshment will be offered!** The attendance is FREE but for catering reasons, I kindly invite you to confirm your presence by [registering here](#) **before 18 October 2025**.

Thank you and I look forward to meeting you all!

Best regards,  
Prof. Orazio Baglieri

On behalf of Dr Daniela Ciano  
RILEM Implementation Manager (RIM)
